If you have any further questions regarding any of these varieties please call our office on (03) 9999 1999 or email us [sales@factree.com.au](mailto:sales@factree.com.au).

If you would like to order any of these varieties please contact us and we can advise of availability.

### **EVALUATION SCORING SCALE**

< 5/10 = poor variety and should not be seriously considered

5/10 = variety displays some negative attributes but needs further consideration

6/10 = variety is equal to the current commercial varieties available to growers and should be trialed by individual growers to see if it works for them.

6.5/10 = variety is showing that it is superior to current commercial varieties and should be seriously considered for commercial planting.

7/10 and above = variety is very good and is highly recommended for growers to consider planting commercially.

### **IMPORTANT NOTICE - DISCLAIMER**

The varieties identified by our "F" series Evaluation code number are in a testing/evaluation phase only and are not yet commercial.
